

AI/BI + Genie Launchpad

A three-day arc of live, hands-on sessions that take your analysts and business users from building AI/BI dashboards they can trust to getting reliable answers from their data in plain language with Genie. Each person joins only the day or days that fit their role. No one needs to attend all three.

DAY 1**AI/BI for Data Analysts**

Put AI/BI to work in your everyday analytics workflows.

9am – 1pm

DAY 2**Genie Producers**

Build reliable conversational agents with Genie your business can rely on.

9am – 1pm

DAY 3**Genie Consumers**

For business users: get confident, trustworthy answers from Genie day to day.

9am – 12pm

WHO SHOULD ATTEND

Data analysts → Day 1 and/or Day 2, depending on focus.
Business users → Day 3 only.

TWO TIME-ZONE OPTIONS

Every session runs twice: **EMEA + APJ (BST)** and **EMEA + AMER (ET)**.
Pick what works.

Cohort schedule & registration · September to November 2026 (bi-weekly)
