

Partner Academy

Registration

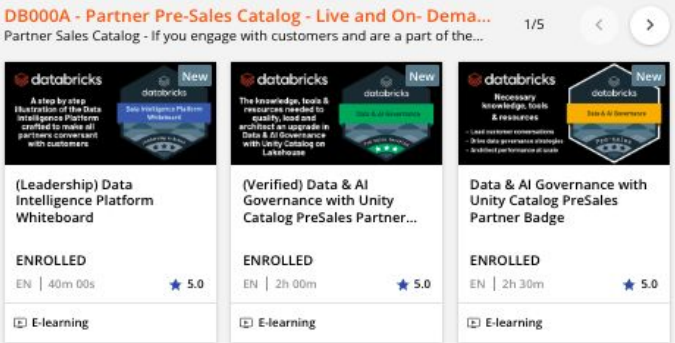

1. Register or Login to Partner Academy: partner-academy.databricks.com

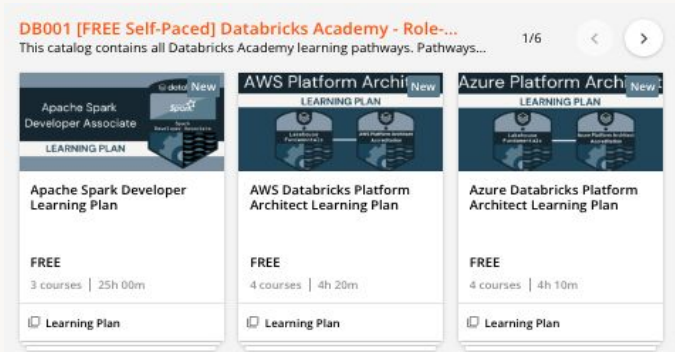

- **Register for an account** to see if you have an existing account from migration
 - **If an account already exists**, please use your employer email address to login and select **forgot password**
- **Username and email:** Your employer email address
- **Upon registration**, you will be asked to confirm your employer email address again

Note: Your employer must be a Partner of Databricks with necessary agreements signed.

2. Review the course assigned to you **“Databricks Partners: Partner Academy Guide”** to understand how to navigate the Partner Academy with ease
3. To register for courses, navigate to the  User Menu
- Course Catalog
 - Select from the following catalogs:

Partner Sales Catalog

Self Paced Training

Partner Technical Training

If you are not seeing the catalogs above and/or have logged into customer-academy.databricks.com, please submit a [support ticket](#) to move your user account to the Partner Academy.

Certification Exams

Registration

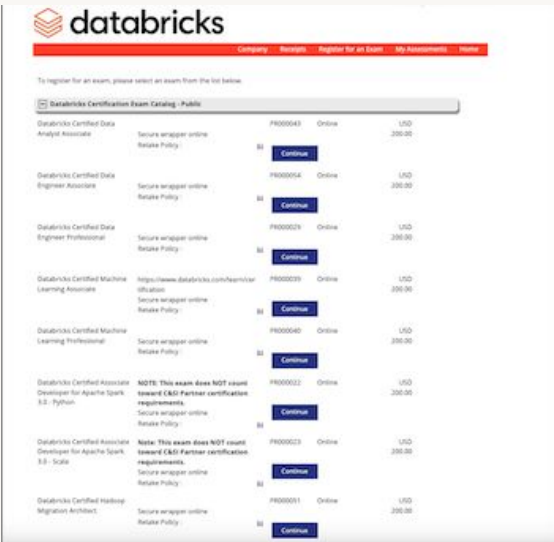

1. Register or Login to Webassessor: <https://www.webassessor.com/databricks>

- If you already have a **Webassessor account**, please use your organizations email address to login
- If you do not have an account **created with us**, please click on the “Create New Account” button and fill out the applicable information
 - Please ensure the “**Login**” and “**Organization Email**” field are both populated with your company email address

2. Upon logging in, please click on “**Register for an Exam**” to schedule your upcoming certification exam:

- Register for an Exam
- Select “Continue” on the exam of your Choice
- Select your timezone
- Choose the date and time to take your Exam
- Input any voucher codes you may have

3. Upon completing your registration, you should receive an email confirming the date and time of your exam

- If you do not receive this confirmation email, please submit a ticket [here](#) and our Support Team will assist

4. Before taking your certification exam, please review the two help documents below to assist with any questions you may have before the exam

**** Please review the below documents to best prepare yourself for your exam****
